Introduction

Peter was called to the Bar in 2014 and completed pupillage at 42 Bedford Row the following year. He has since developed a busy court-based and advisory paperwork practice with a particular interest in most matters connected to land. He is the Head of our Business and Property Group. Outside of chambers, Peter is a keen motorcyclist and interested in cooking, wine, technology, architecture and art.

Business Law

Before training as a barrister, Peter worked on multi-million pound IT framework contracts advertised through the Official Journal of the EU. He was described as being “sensitive to commercial issues while building good relationships with clients”. He maintains a regular interest in the interpretation of contracts and other related matters such as breach of contract, misrepresentation and breaches of guarantee in addition to his property practice.
