Introduction

Jessica is a specialist family practitioner.

Her particular expertise is in public law children cases involving chronic neglect, domestic abuse, substance misuse and non-accidental injury, representing parents, children's guardians and other family members.

Jessica acts for parents and grandparents in a wide range of family law and private law children applications, dealing with cases involving allegations of domestic violence, sexual abuse and substance misuse.

She is regularly instructed in cases of a complex and sensitive nature and has particular expertise in handling difficult and vulnerable clients.

Education

- BA (Hons) History First Class
- Inner Temple scholarship
- BPP major scholarship
- Duke of Edinburgh Award scholarship

Other information

- Jessica lives in London and has 3 children who are at university.
- She enjoys reading, music, cycling and running. She has completed 2 London marathons raising money for charity.
