Rehna Azim practises in Family Law specialising in Child Care Law. For many years she regularly represented a number of Local Authorities. She is now much sought after by Children's Guardians to act for the child in a case as well young adults who instruct their own solicitor. She also undertakes parent and grandparent cases.

Rehna Azim is a freelance journalist and writer who has contributed to the national press including the Guardian and Mail on Sunday as well as legal publications such as Counsel Magazine. She is a contributor to radio and television discussion programmes and has appeared on BBC Woman's Hour, the Today programme and the BBC's World Tonight among other shows.

Rehna also runs her own website - www.itsalawyerslife.com

In 2022 Rehna founded The Legal Style Awards, an annual awards ceremony which has featured in The Times and has been hosted in both London and New York.

Rehna Azim's book on wellbeing in the legal profession is due for publication soon.

Articles by Rehna Azim can be found on the Guardian newspaper websites, the Counsel magazine site and www.itsalawyerslife.com
